Our sports premium money is used in a variety of ways. It supports the children with their residential trip, invites coaches into school, gives opportunities to try new sports and ensures that costs are kept low for parents.

In the financial year 24/25, we have £21,700 to spend on sports across the 5 key areas:

- increasing all staff's confidence, knowledge and skills in teaching PE and sport
- increasing engagement of all pupils in regular physical activity and sport
- raising the profile of PE and sport across the school, to support whole school improvement
- offer a broader and more equal experience of a range of sports and physical activities to all pupils
- increase participation in competitive sport
