If late collection continues on 3 or more occasions then the BASC reserves the right to exclude children from attending club.

Safeguarding:

The protection and safeguarding of children is our number one priority. At least one member of staff must hold a current First Aid certificate. The administration of medicines is carried out only under advice and according to school policy. A First Aid box is clearly identifiable and accessible. The registered person takes steps to promote safety and

ensures precautions are taken to prevent accidents and procedures are in place for recording incidents in their eventuality. Actions are taken to minimise risks, and the premises are kept clean.

Staff are trained in Child Protection procedures and follow these by handling concerns and allegations discreetly and sensitively and will pass information to the member of staff responsible for this who at the time of writing is Matthew Herbert, Head teacher.

Children are secure and safe on the premises and children are not able to leave them unsupervised. Children are supervised at all times, the definition of supervision being within sight or hearing of a member of staff. Procedures are in place for emergency evacuation in the event of a fire and fire drills are carried out regularly. Access to the premises is controlled and visitors must sign in.

Equal Opportunities:

Children’s attitudes to others are established during their formative years. At Reedness Primary School we value the cultural diversity of our children, parents and students. The governing body and staff actively promote true equality of opportunity and anti-discriminatory practice for all children. Every one of us should feel respected and valued, and special care should be taken to make sure that the more vulnerable members of our school community have their needs addressed. Resources, activities and at ground level the language and behaviour of staff positively reflect racial, cultural, gender, socio-economic and religious diversity and disability.

Review and Monitoring:

This policy will be reviewed by the Governing Body.
